To: Our Valued Customer

SUBJECT: Price Increase

Due to continued increases in raw materials such as copper, zinc, and nickel as well as rising oil costs, we will be implementing a general price increase on our products effective Monday, February 1, 2010.

All orders for immediate release received by Friday, January 29, 2010 will receive the former prices.

List prices will be available December 31, 2009 in either Excel or PDF formats via the website at www.amesfirewater.com/dataexchange. For printed copies of our printed price lists please contact your local sales agent.

We appreciate and thank you for your business and assure you of our commitment to continue to supply you with quality products at competitive prices. If you have any questions or need further clarification on these changes, please contact your local representative.
