**Price Increase Announcement**

Dear Valued Customer:

As a result of further increases in steel raw material cost, effective with new orders placed Tuesday March 2, 2010 Bull Moose Tube Company will increase prices on all Fire Sprinkler Pipe by 6%.

Please note that further increases are expected as the steel mills have already announced increases for April, as a result Bull Moose will continue with the policy of price in effect at time of shipment.

We at Bull Moose value our relationship, and look forward to serving your needs in the future. If you have any questions, please contact your Sales Representative.

Sincerely,

David Weinrich  
General Sales Manager – Sprinkler Pipe
