Re: ABS and PVC DWV Fittings

Effective Monday, October 5, 2009, NIBCO will issue a 7.5% list price increase (divide ADWV-0309 and PDWV-0309 by .925). Individual fittings may increase by a larger amount. Please review the new list price sheets for specific price changes. Current multipliers will remain in effect. Price protection will not be offered.

The new list price sheets, ADWV-1009 and PDWV-1009, will be available September 21, 2009 via NIBCO's websites at www.nibco.com and www.nibcopartner.com. You will have the option of printing a copy of the price sheet in PDF format or downloading list prices in MS Excel format.

If you have questions, please contact your NIBCO sales or customer service representative. Thank you for your continued support of NIBCO products.
