

## 2019 U.S. Price Increase Notification

March 1, 2019

To Our Valued Customer:

Victaulic works diligently to control operational expenses through the implementation of various cost containment strategies and lean initiatives. Unfortunately, these actions alone cannot address the increase in overall cumulative costs. As a result, we find it necessary to increase prices for most of our products by 8%. This increase is effective on all orders received after the close of business on Thursday, April 4, 2019.

The updated price list will be available in Excel on Monday, March 11, 2019, and in .pdf format on the Victaulic website on or before Thursday, April 4, 2019. To access these, please visit [victaulic.com](http://victaulic.com) and click on the "Price Lists" link under the "Resources" tab. Orders will be accepted for printed price lists on April 5, 2019.

Thank you for your continued support. At Victaulic, we continue to work hard to provide the highest quality, most reliable grooved piping system solutions to serve your business needs.

Your local Victaulic sales representative can answer any additional questions you may have regarding this information.

Sincerely,
