Subject: List Price Increase Notification

Due to increases in materials, manufacturing and transportation charges; Spears® Manufacturing Company will initiate a list price increase for certain product categories on June 26, 2019.

This will involve a 5% list price increase on our fittings, valves, solvent cements / primers and ancillary products. Exceptions to this increase will include our FlameGuard® Products as well as all CPVC and PVC Pipe.

Revised list pricing can be calculated by dividing current list prices by .95.

Updated list prices will be available on our website at www.spearsmfg.com the week of June 17, 2019 and updated print versions of our MSRP-1 will follow soon after.

If you have any questions in this regard, please contact your local Spears® Regional Sales Manager.

Thank you for your business and continued support.

Sincerely,

A handwritten signature in black ink that reads 'Matt Baker'.
